VIDEO COLLABORATION
SOLUTIONS

SMALL, MEDIUM, AND LARGE ROOMS

SMALL ROOM SOLUTIONS WITH RALLY BAR MINI AND TAP

- ✔ Studio-quality audio and video, motorized pan and tilt, and AI-driven performance, optimized for small rooms.
- ✔ Clutter-free cable management and multiple mounting options.
- ✔ Plug and play with virtually any PC or Mac®, or run supported video conferencing applications on the device without a computer.
- ✔ Enjoy one touch to join simplicity and wired or wireless sharing with the Logitech Tap touch controller.

MEDIUM ROOM SOLUTIONS WITH RALLY BAR AND TAP

- ✔ Brilliant optics, room-filling audio, and AI-driven performance optimized for midsize rooms.
- ✔ Clutter-free cable management and multiple mounting options.
- ✔ Plug and play with virtually any PC or Mac, or run supported video conferencing applications on the device without a computer.
- ✔ Enjoy one touch to join simplicity and wired or wireless sharing with the Logitech Tap touch controller.

LARGE ROOM SOLUTIONS WITH RALLY PLUS AND TAP

- ✔ Cinema-quality video, modular powerful audio, and AI-driven performance optimized for large rooms.
- ✔ Clutter-free cable management and multiple mounting options.
- ✔ Plug and play with virtually any PC or Mac, or run supported video conferencing applications on the device without a computer.
- ✔ Enjoy one touch to join simplicity and wired or wireless sharing with the Logitech Tap touch controller.

ROOM SOLUTION COMPONENTS

FOR ALL PC-BASED SOLUTIONS

MINI PC

Small footprint compute of choice from a variety of partners.

PC MOUNT

Secure PC and cables to walls and beneath tables with integrated cable retention.

FOR ALL LARGE ROOM SOLUTIONS

RALLY MIC POD HUB

Customize mic placement for your table shape. Rally Mic Pod Hub is optional for the small and medium room configurations.

RALLY MOUNTING KIT (FOR RALLY PLUS)

Position Rally Camera on the wall or near the ceiling. Low profile speaker brackets provide a "floating" appearance.

FOR LARGE ROOM APPLIANCE-BASED SOLUTIONS

ROOMMATE

Computing appliance with built-in video conferencing software support.

SMALL, MEDIUM, AND LARGE ROOMS

ROOM SOLUTION ACCESSORIES

TAP TABLE, RISER, OR WALL MOUNT

Secure Tap flat to the table, raise the viewing angle, or mount it on the wall to conserve space, minimize cabling, and optimize the user experience.

TV MOUNT FOR VIDEO BARS

Neatly secure Rally Bar Mini or Rally Bar above or below a TV or monitor.

WALL MOUNT FOR VIDEO BARS

Mount Rally Bar Mini or Rally Bar on the wall for minimal footprint.

RALLY MIC POD

Expand audio coverage and provide convenient access to mute controls. Compatible with Rally Bar Mini, Rally Bar, and the Rally System. Available in graphite or white.

RALLY MIC POD MOUNT

Hide cables and anchor mics on the table or ceiling for a clean, finished look. Available in graphite or white.

RALLY MIC POD EXTENSION CABLE

Add 10 meters of additional reach to the cabling of Rally Mic Pod or Rally Mic Pod Hub for larger spaces.

OTHER COMPONENTS & ACCESSORIES

RALLY FOR MEDIUM ROOMS

Modular conferencing system for mid-sized meeting rooms.

MEETUP FOR SMALL ROOMS

Plug and play video bar for small meeting rooms.

MEETUP EXPANSION MIC

Add-on microphone with mute control to extend MeetUp's audio range.

MEETUP MIC EXTENSION CABLE

10 meter extension cable for Expansion Mic for MeetUp.

MEETUP TV MOUNT

Mounting option for MeetUp ConferenceCam.

SWYTCH

Logitech Swytch solves the compatibility objection to service-attached room solutions like Microsoft Teams® Rooms and Zoom Rooms. With Swytch, the room's AV equipment can be used with any video meeting, webinar, or streaming application: just launch the software on a laptop and connect with Swytch.

The room's conference camera connects to the laptop, delivering up to 4K broadcast-quality video. The same cable connects the laptop to the room's display, so everyone can see remote participants and shared content. When finished, simply disconnect the laptop to leave the room ready for the next internal or external meeting.

Swytch offers the same one-cable convenience in BYOM ("Bring Your Own Meeting") rooms without a dedicated computer. With its universal USB Type A + C connector neatly docked on the table, Swytch eliminates the multiple cables, adapter rings, and reset procedures that confuse users and generate trouble tickets. Swytch also provides up to 60w of power to laptops that charge via USB C.

RALLY CAMERA

Logitech Rally Camera provides the outstanding video quality and room coverage of the premium Rally Plus system, but packaged as the USB camera component for classrooms, multipurpose rooms, and other spaces with built-in audio systems. Equipped with an invertible wall mount and boasting expansive room coverage with automated PTZ, Rally Camera can capture an entire space in detail, while still offering the ability to focus on details—like the presenter, panelists, whiteboards or individual participants.

PERSONAL COLLABORATION SPACES

PERSONAL COLLABORATION PRODUCTS
